

Template for TIG presentation

Name of the TIG: Mathematics Education
Name of TIG leader(s) and contact details : Alexandra Gomes magomes@ie.uminho.pt
Aims and vision of the TIG: <p>The members of the mathematics education TIG think that sharing experiences and ideas among mathematics teacher educators from different countries can contribute to a better understanding of the problems facing mathematics education. Hopefully through presentations, discussions and workshops we can work towards the development of a better mathematics teacher education for all of our students whether they are in schools, colleges or universities.</p> <p>The objectives of the Mathematics Education Thematic Interest Group are:</p> <ul style="list-style-type: none"><input type="checkbox"/> to present and discuss particular realities of mathematics education in schools;<input type="checkbox"/> to share and develop our own thinking about mathematics education;<input type="checkbox"/> to discuss research or intervention projects on mathematics education;<input type="checkbox"/> to promote joint research and collaborative projects between its members.
Format of the sessions: <p>Depending on the type and number contributions, the sessions will consist on the presentation and discussion of papers and/or workshops.</p>
Topic(s) for next conference (Coimbra): Mathematical tasks in mathematics
Call for papers and proposals: send abstract to TIG leader before 1 st of December 2011
