Aims and vision of the TIG: In the "MYTHS & FAIRY TALES"-TIG we focus on the huge and widespread variety of uses for all kinds of Stories and Narratives in Education. The vision is hereby to disseminate an insight and understanding of the meaning and importance of "Myths, Fairy Tales and Legends in Education " in particular, but also storytelling and use of narratives in general.
Format of the sessions: Papers and other presentations or contributions in relation to the specific TIG Conference Theme, changing from year to year, are especially invited, but please note that also any other contributions and presentations within the field of: "The Use of Myths, Fairy Tales and Legends in Education" will be considered! As in previous ETEN-Conferences, this is expected to open up for both theoretical discussions and more practical reflections of different kinds of educational and didactical experience. All kinds of Papers, Presentations, Power Points, Workshops, Videos, Slide Shows, Reports, Story-Telling, Drama, Exercises, etc. are warmly welcomed in the "Myths & Fairy Tales"-TIG!
Topic(s) for next conference (Coimbra): Theme for the "Myths & Fairy Tales"-TIG in COÏMBRA-2012 will be: "ANIMALS IN MYTHS & FAIRY TALES: THE MEANING, ROLE AND FUNCTION OF ANIMALS IN ALL DIFFERENT KINDS OF STORIES AND NARRATIVES"
